## FAFSA: New High School Graduation Requirement

---

### What is the new state law?

Starting with the class of 2025, Nebraska law requires all public high school students to complete and submit a FAFSA (or actively opt out) as a graduation requirement. This is known as Universal FAFSA.

### Why does this law exist?

Universal FAFSA ensures that all Nebraska seniors complete the FAFSA, unlocking federal financial aid and encouraging them to consider further education beyond high school.

### Why is completing the FAFSA a graduation requirement?

Completing the FAFSA informs students about their financial aid options, enabling them to make smarter decisions about their post-secondary education.

### How will this benefit Nebraska students?

In 2022, half of Nebraska graduates didn't file the FAFSA, missing out on an estimated \$23 million in aid. This initiative helps reach the goal of 70% of Nebraskans earning a diploma, degree, or industry credential by 2030.
